albenc rosado 2025

Grape varieties	Monastrell, Mantonegro, Merlot y Pinot Noir
Alcohol	13,5 % Vol.
Vintage	2025
Tasting note	A pale rosé wine with salmon hues, clear and bright. On the nose, it shows high aromatic intensity, highlighting notes of white flowers such as jasmine, along with touches of tangerine peel, orange, grape, and currant. Pronounced balsamic notes of eucalyptus and subtle hints of bakery, reminiscent of pastries, are also perceptible. On the palate, it is fresh, dry, and saline, with a citrusy orange profile and a pleasant presence of white fruits, such as apple. Its finish is long and persistent, leaving an enveloping and elegant sensation.
Elaboration	This rosé wine is made by direct pressing, using grapes carefully hand-selected in the vineyard and in the winery. A cold skin maceration is carried out before pressing to enhance the extraction of aromas. Fermentation takes place in stainless steel tanks at controlled temperature, and after fermentation, the wine rests on its lees to add body and complexity. Last steps are blend all the different varieties, filter and bottle.
