

torralbenc

VI DE LA TERRA ILLA DE MENORCA

tinto 2021

Grape varieties

Merlot y Syrah

Alcohol

14 % Vol.

Soil

Limestone, en Minorquin *marés*.

Elaboration

Torralbenc Red 2021 has been made with grapes from the estate's oldest plots, harvested and selected by hand. Each variety is vinified separately in stainless steel tanks, where the wine completes malolactic fermentation. It is aged for eight months in French oak barrels. Subsequently, the blending of varieties takes place. Before being marketed it remains in the bottle for a minimum of eight months.

Tasting note

Red wine with a ruby red colour and medium depth. On the nose, red and black fruit, black pepper, eucalyptus, tobacco leaf and toasted tones. The palate is fresh with good structure and a long finish.
