torralbenc

VI DE LA TERRA ILLES BALEARS

blanco 2025

Grape varieties	Sauvignon Blanc y Viognier
Alcohol	13,0 % Vol.
Vintage	2025
Tasting note	A bright, clean white wine with a lemon-yellow colour. On the nose, it displays a vibrant and fresh aromatic profile, with citrus notes of lemon and grapefruit, fruity aromas of green apple and pear, complemented by hints of fennel. White floral notes of jasmine and acacia also come through, alongside subtle bakery aromas of brioche and buttery notes. On the palate, the wine is fresh, with well-integrated acidity and good volume. The finish reveals citrus, fruity and floral notes, complemented by a delicate minerality and a hint of salinity, resulting in a long and persistent aftertaste.
Elaboration	Torralbenc Blanco 2025 is made from carefully selected, hand-harvested grapes to ensure the highest quality. Each grape variety is vinified separately in stainless steel tanks, where the wine remains in contact with its lees for more than six months, contributing to its structure and complexity. Once this process is complete, the different varieties are blended, seeking the perfect harmony between their aromatic and flavour profiles.
