

torralbenc

VI DE LA TERRA ILLA DE MENORCA

tinto 2022

Grape varieties	Merlot y syrah
Alcohol	14,5 % Vol.
Vintage	2022
Tasting note	<p>Red wine of ruby-red colour with medium intensity. On the nose, it reveals a complex aromatic profile dominated by intense red and black fruit notes such as plum and blackberry, complemented by subtle hints of black pepper. Fresh, herbaceous nuances of eucalyptus, liquorice, and tobacco leaf also emerge, while a toasted background evokes notes of oak and coffee.</p> <p>On the palate, the wine is smooth, fresh, and well balanced. The mouthfeel is round and enveloping, with well-integrated tannins. The finish is long and persistent, marked by notes of red fruit, liquorice, and toasted bread.</p>
Elaboration	<p>Torralbenc Tinto 2022 is made from grapes harvested and selected by hand to ensure optimal quality. Each grape variety is vinified separately in stainless steel tanks, followed by malolactic fermentation to enhance smoothness and complexity. An eight-month ageing period in French oak barrels highlights its spicy notes and silky tannins. After blending, the wine rests in bottle prior to release, resulting in a harmonious, well-structured wine with excellent persistence.</p>
